

Summer Meeting: Newport Beach, CA

July 10 – 16, 2009

Wildlife, Water and Energy: Balancing Our Future

Invitation to Participate!

California is proud to host the Summer Meeting for the Western Association of Fish & Wildlife Agencies! This annual meeting promotes an exchange of ideas and philosophy between administrators, commissioners, professional fish and wildlife biologists, managers and technical workers in related fields. We hope you will join us as an exhibitor or sponsor!

The Western Association of Fish & Wildlife Agencies (WAFWA) has been a key organization in the promotion of sound resource management principles and the strengthening of federal, state and private cooperation in protecting and managing fish and wildlife and their habitats in the public interest. WAFWA's mission is, ***delivering conservation through information exchange and working partnerships***. By working together, the fish and wildlife resources of the West and the habitat upon which those resources depend will be protected and enhanced so that future generations can enjoy our natural heritage. Demonstrate your support of this mission by signing up to participate in the Summer Meeting. Enclosed you will find sponsor and exhibitor information and registration form.

Thanks in advance for your consideration. Don't hesitate to contact me at (802) 865-5202 or by email at cindy@delaneymeetingevent.com with any questions.

Visit the website at www.wafwa.org for periodic updates and details of the program.

Best Regards,

Cindy Delaney
Conference Coordinator

The **Western Association of Fish & Wildlife Agencies' (WAFWA)** is a regional association of state and provincial fish and wildlife agencies representing 23 states and Canadian provinces, spanning from Alaska to Texas and Saskatchewan to Hawaii – an area covering nearly 3.7 million square miles of some of North America's most wild and scenic country, inhabited by over 1,500 premier wildlife species.

Summer Meeting: Newport Beach, CA • July 10 – 16, 2009
