The BLM issued grazing bills and allowed domestic sheep or goat use during the 2013 grazing year. A bill to graze livestock (i.e., trailing) is issued on an annual basis.

Under term grazing authorizations (term permits, leases or Exchange-of-Use authorizations) current as of 4/18/2014, the BLM authorized domestic sheep or goat use within all or part of the allotment. Data do not include crossing public land with livestock (i.e., trailing).

Grazing Allotments, BLM: Grazing Bills and authorizations (term permits, leases or Exchange-of-Use authorizations) current as of 4/18/2014, the BLM authorized domestic sheep or goat use within all or part of the allotment. Data do not include crossing public land with livestock (i.e., trailing).

State data for the purpose of identifying areas of potential overlap between bighorn sheep-occupied habitat and domestic sheep grazing. To determine areas of actual overlap, please consult local state agency wildlife biologist and local BLM Field Office.
