The BLM issued grazing bills and allowed domestic sheep or goat use during the 2013 grazing fee year. A bill to graze livestock or to cross public land with livestock (i.e., trailing) is issued on an annual basis. Under term grazing authorizations (term permits, leases, or Exchange-of-Use authorizations) current as of 4/18/2014, the BLM authorized domestic sheep or goat use within all or part of the allotment. Data do not include crossing public land with livestock (i.e., trailing).
